Re - Installing temporary petromax lights in Gubbi Town Municipality as a major portion of the town has been evacuated owing to the prevalence of plague at the place -

Sir,

In forwarding herewith, in original, the letter received from the Amildar, in charge of Gubbi Town Municipality on the above subject I have the honour to state as follows -

The Amildar states that a major portion of this town has been evacuated owing to the prevalence of plague and that people have put up sheds on saguvali lands within the Municipal limits and that they represented that lights may be provided near their sheds as a temporary measure till the epedimic subsides

As the representation of the people was real it was necessary to create lighting facilities to the people living in sheds in view of the fact that there was no likelihood of reoccupation of the town immediately The Amildar has therefore made arrangements for providing six petromax lights for a period of 2 months to be put up near these sheds incurring an experditure of Rs 96/- by the appropriation out of the savings Public Health and Convenience' in anticipation of sanction I request that sanction of Government may kindly be obtained to the same

I have the honour to be,
Sir,
Your most Obedient Servant,
Expd abanlal
